University of Virginia — McIntire School of Commerce <i>Master of Science in Commerce, Finance Track</i>	Aug 2026 – Present
University of California, Berkeley <i>B.A., Economics Certificate in Entrepreneurship and Technology — GPA: 3.7</i>	Aug 2022 – May 2026
The London School of Economics <i>Summer School Certificate, Accounting — GPA: 4.0</i>	Jun 2025 – Jul 2025

WORK EXPERIENCE

The Post — Revenue and Operations Intern	Jun 2025 – Present
- Analyze biweekly sales and membership metrics to surface revenue trends, directly informing pricing and retention decisions - Own CRM data infrastructure, sales-funnel reporting, and payroll systems supporting a growing membership-based revenue model - Built and launched a new revenue channel end-to-end, from initial financial rationale through operational rollout - Designed and launched a data-informed member retention program to support long-term revenue growth	
Association of Volleyball Professionals (AVP) — Revenue and Operations Intern	Jul 2025 – Aug 2026
- Conducted customer insights research to inform dynamic pricing strategy for two New York City events, maximizing ticket sell-through and revenue capture - Delivered front-facing customer service at flagship tournaments — including the 2025 Manhattan Beach Open (60,000+ annual attendees) — managing client relations with elite athletes, sponsors, and industry leaders - Modernized inventory management workflows, transitioning from manual tracking to a technology-based system that improved accuracy and operational efficiency	
Learfield — Cal Bears Sports Properties Intern	Aug 2025 – Oct 2025
Managed partner activations and hosted tailgates at Cal football home games, delivering a high-touch customer experience at scale	
Decathlon Sports Club — Director / Financial Consultant	Jun 2019 – Aug 2024
- Advised management on pricing strategy to optimize revenue and manage overgrown waitlists - Led a team of counselors serving 20+ children, building a culture centered on teamwork and personal growth	
Cornerstone Restaurant and Bar — Marketing and Strategy Intern	Aug 2023 – Jun 2024
Analyzed consumer trends to inform creative marketing campaigns; launched a line-dancing initiative that drove university student attendance up over 50%
